Charity suffers both and is kind; charity can help, but it is not perfect.

Watch Yourself Go By. Just stand aside and watch yourself go by.

Think of yourself as "he" instead of "I". Note closely as in other men you note.

Back-necked trousers and the coat. Pick flaws; find fault; forget the man is you.

And arrive to make your estimate clear true. Confound yourself and look you fit.

Just stand aside and watch yourself go by. Interpret all your motives just as they appear.

You looked on one whose aims you did not know. Let undisciplined contempt surge through you.

Let us see your cheer, O commonest of men. Despite your cowardice, condemn your waiter.

You note of falseness to you any one. Defend not one defect that shames your eye.

Just stand aside and watch yourself go by. And then, with eyes unweaved to you, you loathe.

To stand with sweet charity would you do. Back to your self-willed tenacity you go.

With tolerance for all who dwell below. The faults of others then will show you.

When you with "he" as substitute have stood aside and watched your self go by.

Brickland W. Gilliam in Success. HANDS OFF THE SCHEDULE. It begins to look like the party which claims to be a friend of protection is determined to let the tariff remain where it is.

Therefore, nobody except the manufacturers has wanted a forty per cent tariff. Now the manufacturers do not want it.

The delegation of the national association which walked away from Cannon and Chairman Payne to say so must be considered quite representative, although inaccurately, it did not include the real big game.

There may be some fault in the position of the speaker and he ought to be put on a pedestal or years longer under pillars which the rest of the country has generated.

Senator Owen is holding to tradition in his attack on the currency bill, when he seeks to scalp it to the tune of twenty amendments. It looks like it had rough weather ahead, now that it is suffering in each day's debate.

The greatest possession is self possession. -Cyril's Calendar.

Honor is without number in most countries. -Cyril's Calendar.

Self-help is the best help of all, and it is so even when the one may avail himself of it to the fullest degree.

Every man has troubles of his own, and greater he has to pay his own price. -From the New York Herald.

TAIANS-MOB JUDGE

Arrested for Carrying Weapons, Now to Take Officer's Life.

Montreal, Quebec, Feb. 29.—There was a scene in the corridors of the Montreal court-house yesterday when a party of Italians were brought before the recorder for carrying concealed weapons.

Later all were sentenced to four years each. When the sentence had been pronounced the sympathizers went to a saloon across the street from the court house and one of them, pulling out a silencer, made a solemn vow to kill the recorder. He escaped and the police are looking for him.
