**ANOTHER LECTURE**

**COURSE THIS YEAR**

Rev. G. W. Barr is Backing Program of Entertainments for Opera House.

**ASSUMES FINANCIAL RESPONSIBILITY**

Last will include Temple Quartette, Dr. James Hedley, Fred Emerson, Brooks, Durno, Mr. Gray and Roney's Boys—First Number to Be Given Saturday, October 14th.

There will be a Lecture Course this year. South McAlester is a good town, and every good town should have a Lecture Course. The management of the Course last year, we are sorry to say, were losers; but Mr. Barr asks us to announce that he has recently assumed all of the financial responsibility for a course of six attractions last year there were but five.

Two new lecturers will appear on the platform, viz: Drs. Gray and Hedley. Those who heard the Wesleyans last year were so loud in their praises of the musical treat given by that quartette that the stay-aways have felt sore ever since. The opening number of the present course will be by the Temple Male Quartette, the equals if not the superiors of the Wesleyans, who have disbanded since they were here. Durno will be back, better than ever. The Roney's Boys, who were here about three years ago and gave such satisfaction, will be back again in March, 1908. The management tried hard last year to get Fred Emerson Brooks, the unique lecturer and entertainer, but were disappointed; we are glad to note his name on the list of attractions this year.

The price for the season ticket will be \$2.50 for the entire six attractions, and the season tickets will entitle the holders to reserved seats at all of the events. There will be no detachable coupons, as in last year's tickets, owing to the fact that they proved disagreeable to the public and management of the Course.

Special arrangements may be made in regard to the high school children, such as existed last year, but we are not at liberty to announce the fact as yet. The tickets will be on sale Friday or Saturday, and can be had at the Palace Drug Store, or of Rev. G. W. Barr or Rev. J. H. Ball, who has kindly consented to co-operate with Mr. Barr. The advertisement will be largely in the hands of Mr. Estes, manager of the Langdale Opera House. The following is a list of the attractions, and also the probable dates:

Temple Quartette, Saturday, Oct. 14th.  
Dr. James Hedley, Monday, November 27th.  
Fred Emerson Brooks, Wednesday, Jan. 24th.  
Durno, Tuesday, Feb. 9th.  
Dr. Gray, Friday, March 2nd.  
Roney's Boys, Thurs. March 22nd.

Notice to all members, there will be a meeting of Degree of Honor in the Schreiner Hall Saturday evening, Sept. 9th at 8:30. All members are requested to come as there is business of importance to attend to.

Yours in O. H. and P.,

with LOCAL APPLICATION, as they cannot reach the seat of the disease. Catarth is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarth Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarth Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarth. Send for testimonials free.
